See press on this innovative teaching training program.

[PBS Newshour Accreditation](#)

- Examine the impact of globalization on education and the appeal of international

What people say about me

"David Kimball is an outstanding teacher, and individual, in that he brings knowledge, experience, sound pedagogical practices, and real empathy for his students. His students make progress while in his classroom!"

Donald Howell
Vice Principal
APU American International
School

"Mr. Kimball brought to his students different techniques of teaching, positive environments that stimulate learning where students can do their best while being challenged to develop all potential. He focused on building a close relationship / connection between family and school to create a comprehensive educational environment. Parents are updated weekly. Students learn from groups with right level."

Thao Truong
2nd Grade Parent
Singapore International
School

"I had the pleasure of mentoring Mr. David Kimball while he taught 3rd grade at Young Hoon Elementary School. The students loved his classroom energy and enthusiasm that he brought to creative lessons. He is one of the kindest men I know and it shows in the way that he takes care of his classroom, school, and family. I was excited to see each fun modification David brought to class everyday."

Mike Still

curricula

- Critically analyze international mindedness, intercultural literacy, and global competence in educational settings
- Use action research to study a problem or question related to multilingualism, international mindedness, or global education

Bachelors of Science, Business Administration - Finance
San Jose State University, San Jose, California
